EDGE STACKER

LITHIUM-ION-POWERED WALKIE STACKER

SUPERIOR PRODUCTIVITY

- » Electric travel, lift, and lower enhance productivity.
- » Lithium-ion battery offers fast charging and long run times.

BETTER MANEUVERABILITY

- » Turtle Speed Button simplifies handling in tight spaces.
- » Creep mode allows travel with handle in vertical position.

GREATER SECURITY

- » Reduced speed in turns minimizes truck, product, and facility damage.
- » Load backrest (standard) enhances load stability and handling.

IDEAL FOR:

- » LIGHT-DUTY GENERAL MATERIAL HANDLING
- » STACKING
- » PALLET HANDLING IN TIGHT AREAS

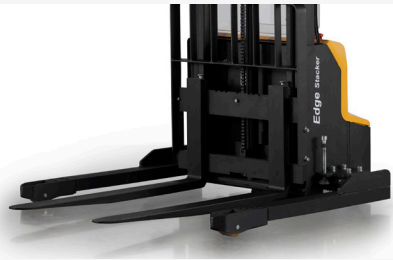

Opportunity charging keeps the trucks on the floor

Dual thumb controls offer comfortable operation for left- or right-handed users

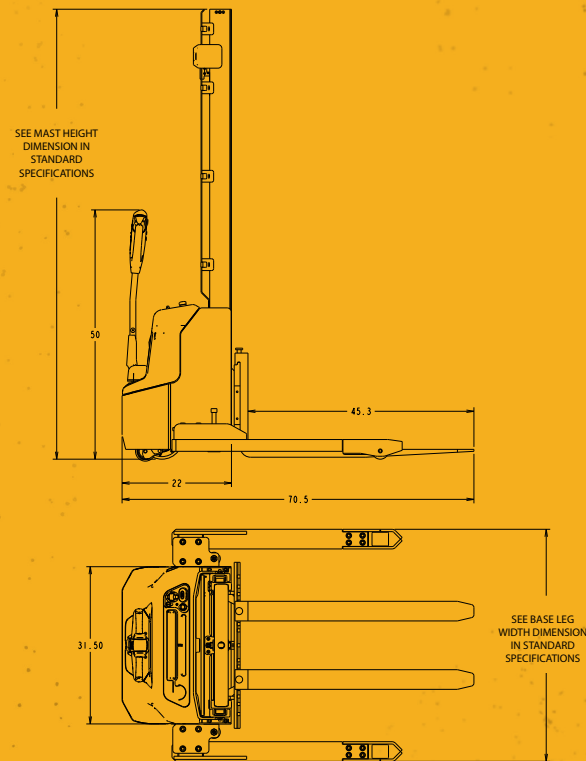

PIN code access requires no key and prevents unauthorized use

Adjustable base legs suit multiple pallet sizes.
