

SPRINT 2.0

ELEVATED DRIVABLE WORK PLATFORM

A SUPERIOR SOLUTION FOR EVERYDAY UPS AND DOWNS.

With a compact design, easy maneuverability, electric lift mechanism and driving capabilities, the enhanced Lift-Rite Sprint 2.0 offers a more efficient and productive alternative to bulky rolling ladders in a variety of environments and applications.

NEXT-GENERATION ENHANCEMENTS

IMPROVED GROUND CLEARANCE

Allows smoother travel over thresholds and other uneven surfaces environments and applications.

MAINTENANCE-FREE BATTERY—STANDARD

Reduces maintenance and minimizes costs for greater efficiency.

CONFIGURATION OPTIONS

GUIDE ROLLERS—control travel in narrow aisles for more reliable operation and minimized impacts.

LED LIGHTS—enhance operator visibility in dimly lit work areas for greater productivity.

ENCLOSED LOAD TRAY ATTACHMENT—allows easier, more secure handling of loose and oddly shaped items.

SPRINT 2.0

ELEVATED DRIVABLE WORK PLATFORM

RAISING PRODUCTIVITY. LOWERING COSTS.

Whether you're stocking shelves, picking orders, or changing lightbulbs, the Lift-Rite Sprint 2.0 offers a fast, efficient, drivable solution for virtually any application.

GET MORE DONE, MORE QUICKLY AND EASILY

- » Lift and lower the platform at the touch of a button.
- » Run for up to 9 hours on a single battery charge.
- » Maneuver easily with a compact design and tight turn radius.
- » Avoid the stress and strain of moving bulky ladders.
- » Quickly charge with a standard 110V wall plug.
- » Easily access all components during scheduled maintenance through snap-in-place covers.
- » Prevent unauthorized usage with key-activated operation.
- » Enhance operator comfort and visibility with a padded platform and clear, 360° sightlines.

Maintenance-free hydraulic mast—with lifetime warranty—features no chains or wearable parts and requires no greasing.*

A stable operating position for lifting and lowering to enhance confidence and efficiency.

Powered load tray comes standard and can easily be raised or lowered at the touch of a button.

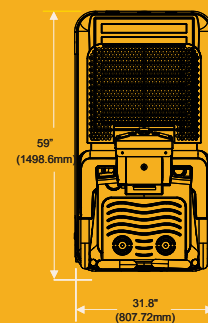

Reinforced deck cover provides additional durability for heavy loads.

Due to continuous product improvement, specifications are subject to change without notice or obligation. Some systems and features shown are optional at extra cost. Lift-Rite is a U.S. trademark of Lift-Rite.

*For complete details, see Warranty Certificate in Owner and Operating Instructions Manual.

STANDARD SPECIFICATIONS:

- » Occupants: 1
- » Operator Compartment Capacity: 286 lbs. (130 kg)
- » Tray Capacity: 198 lbs. (90 kg)
- » Deck Capacity: 249 lbs. (113 kg)
- » Machine Gross Weight (no load): 1573 lbs. (715 kg)
- » Batteries (Qty): 4: 6V Maintenance-free
- » Elevated Platform Height/Working Height:
Platform 118" / Working 190"
Platform 128" / Working 200"
- » Power Supply: 24V
- » Lowered Travel Speed: 3.1 mph
